# FIVE**52**

# 2022 BIBLE READING PROGRAM

The FIVE **52** Bible Reading Plan is a practical Bible reading program. It is designed to help you read the Bible chronologically in one year by reading 5 days a week for 52 weeks. You can read the whole Bible, or choose either the Old Testament or the New Testament. We all know that things come up, and we may miss a day or two. Because of this, this plan gives you the ability to catch up if you occasionally miss a day.

Starting with "Week 01" in January, set aside time each day during the work week. Each days verses are in chronological order, so read them in the order that is shown. It might be benificial to split the readings into 2 and 3 chuncks per day. For example you can read the Old Testament in the morning, Psalms and Proverbs at lunch, and the New Testament at the end of the day. Don't forget to check the bubble for each day you complete to record your progress. If you miss a day, simply pick up where you left off and either try to catch up over the weekend or double up on the readings of the day.
